

## SECTA45

## SECTA55

## Features

- Dual compartments with individual temperature control.
- Quality compressor for superior cooling performance.
- Three stage battery protection system prevents vehicle running out of battery.
- Car & home dual use (DC/AC).
- Shockproof and durable design for handling rocky road.
- Specific parts: cupholder door, interior LED light, APP control, interior drain plug, optional detachable battery and plastic cutting board.
- LED display touch control panel makes temperature adjustment easy.
- Safe to run less than a 45-degree angle for a short time.
- Quiet operation, like living in quite suburb.
- Reverse fridge door design with individual lids, make door-opening more flexible.
